LOOKS THAT KILL

WWW.MYSPACE.COM/LOOKSTHATKILLBANDNJ

The ultimate tribute to Motley Crue. Performing all the Crue's classics as well as rare gems that will please even the die hard Crue heads! Looks That Kill's live shows are energetic and exciting with their outlandish stage antics and uncanny resemblance of Motley Crue themselves.

THE SKINNY

Manyswild, a heavy metal, alternative, hard core punk band from New Providence, NJ, takes on the local music scene with their guttural screams and boyish charm.
